The Entrepreneurship Certificate program explores all aspects of the creation of a new venture from idea through startup, growth, and beyond. It offers coursework in entrepreneurship, accounting, business administration, management, marketing and business computer information aimed at creating and operating a new business. Students will learn how to evaluate opportunities, develop strategies, and create a business plan for a new business.

**UNM-Taos reserves the right to make necessary changes as needed. Students should consult with an advisor prior to enrollment.**
