

**University of New Mexico-Taos
Associate of Science in Education**

The Associate of Science in Education is designed for the student who is planning to enter a baccalaureate program upon completion, or who wants to work as a school aide. Students need to be aware of the Core Curriculum and College graduation requirements at UNM or any other four-year institution. It is the student's responsibility to contact an academic advisor before registering for courses in the degree program. Go to <https://coehs.unm.edu/administration/center-for-student-success/student-advisement.html> for specific concentration-teaching field requirements. Note: Lower Division Education courses will not substitute for Professional Education course requirements.

UNM-Taos reserves the right to make necessary changes as needed. *Students should consult with an advisor prior to enrollment.*
