

**THE FOLLOWING COURSES MUST BE COMPLETED BEFORE APPLICATION**

Application deadline for  
the 2022-2024 cohort:  
**June 1, 2022**

- Courses must be completed with a C or higher.
- **GPA Requirement** - Applicants must have a minimum cumulative GPA of 2.75 for all prerequisite courses.
- Math proficiency** must be established by 1 of 3 options:
  - Successfully completing Intermediate Algebra III (Math 1215X, 1215Y, and 1215Z) with a C or higher
  - Accuplacer placement score at or above College Algebra (Math 1220)
  - Successful completion of a Math course at or above College Algebra (Math 1220) with a C or higher
- Biology (BIOL) 1140/1140L** – Biology for Health Sciences (3cr/1cr)
- Chemistry**
  - Chemistry (CHEM) 1120C** – Introduction to Chemistry for Non-Majors Lecture & Laboratory (4cr)  
Prerequisite: Math 1215X, 1215Y, and 1215Z or higher
  - OR**
  - Chemistry (CHEM) 1215/1215L** – General Chemistry I for STEM Majors/ Lab (3cr/1cr)  
Prerequisite: Math 1220 or higher
- English (ENGL) 1110 or 1110Y or 1110Z** – Composition I  
Prerequisite: ACCUPLACER or ACT or SAT Placement required. See Advisor for correct course placement.
- English (ENGL) 1120**—Composition II (3cr)  
Prerequisite: ENGL 1110 or 1110Y or 1110Z
- Psychology (PSYC) 1110** – Introduction to Psychology (3cr)
- Nutrition (NUTR) 2110**—Human Nutrition (3cr)  
Prerequisites: BIOL 1140/1140L or CHEM 1120C or CHEM 1215/1215L
- Nursing (NURS) 224**—Application of Growth and Development to Health Care (3cr)  
or Development Psychology (PSYC 2120)
- Biology (BIOL) 2210/2210L** – Human Anatomy and Physiology I/ Lab (3cr/1cr)  
Prerequisites: BIOL 1140/1140L and CHEM 1120C (or CHEM 1215/1215L)
- Biology (BIOL) 2225/2225L** – Human Anatomy and Physiology II/ Lab (3cr/1cr)  
Prerequisite: BIOL 2210/2210L
- HCHS 200**—Pathophysiology I (4cr)  
Prerequisite: BIOL 2210 and Pre or Co Requisite: BIOL 2225
- Biology (BIOL) 2305**—Microbiology for Health Sciences (4cr)  
Prerequisites: BIOL 2210/2210L and CHEM 1120C (or CHEM 1215/1215L) or BIOL 2110 and CHEM 1120C (or CHEM 1215/1215L)
- Mathematics (MATH) 1350**—Introduction to Statistics (3cr)  
ACCUPLACER placement or MATH 1215X and MATH 1215 Y or higher
- 9 credit hours of UNM Core Curriculum Courses\***  
\*Credit hour requirements for each area apply as outlined in the UNM Core Curriculum

**Health Care Nursing Assistant (CNA) 101** (8cr) or current CNA License

**\*\* NOT required.** Strongly encouraged with employment experience. \*\*

The BSN application does have additional program entrance requirements. Contact a UNM-Taos Academic Advisor to identify additional requirements. For more information visit:

<http://taos.unm.edu/academics/nursing/requirements.html>

Students must see an advisor to determine a pathway for prerequisite course completion.

Application Deadline for the 2022-2024 cohort:  
**June 1, 2022**

### SEMESTER PATHWAY SUGGESTIONS\*

\*Contingent on Math and English placement. NOTE: If you place lower than Math 1215X, 1215Y and 1215Z or English 1110 you may be required to complete additional semesters of coursework.

- FYEX 1110 may also be required for students with less than 26 earned credit hours.

#### PATHWAY 1

If you have completed Math proficiency for BSN application			
1 <sup>st</sup> Semester Suggestion	Credits	2 <sup>nd</sup> Semester Suggestion	Credits
ENGL 1110	3	ENGL 1120	3
BIO 1140/1140L	4	UNM Core Curriculum Course	3
FYEX 1110	3	MATH 1350	3
CHEM 1120C or 1215/1215L	4	PSYC 1110	3
3 <sup>rd</sup> Semester Suggestion	Credits	4 <sup>th</sup> Semester Suggestion	Credits
BIOL 2210/2210L	4	BIOL 2225/2225L	4
NURS 224 or PSYC 2120	3	HCHS 200	4
NUTR 2110	3	BIOL 2305	4
UNM Core Curriculum Course	3	UNM Core Curriculum Course	3

#### PATHWAY 2

If you have NOT completed Math proficiency for BSN application			
1 <sup>st</sup> Semester Suggestion	Credits	2 <sup>nd</sup> Semester Suggestion	Credits
ENGL 1110	3	ENGL 1120	3
BIO 1140/1140L	4	CHEM 1120C or 1215/1215L	4
FYEX 1110	3	MATH 1350	3
Math 1215 x, y, & z	3	PSYC 1110	3
		UNM Core Curriculum Course	3
3 <sup>rd</sup> Semester Suggestion	Credits	4 <sup>th</sup> Semester Suggestion	Credits
BIOL 2210/2210L	4	BIOL 2225/2225L	4
NURS 224 or PSYC 2120	3	HCHS 200	4
NUTR 2110	3	BIOL 2305	4
UNM Core Curriculum Course	3	UNM Core Curriculum Course	3
