Dear Students, Faculty and Staff:

Your safety and security are of prime concern at The University of New Mexico-Taos. Every year the UNM- Taos Safety & Security Task Force publishes a Safety & Security report containing crime statistics and information about UNM-Taos policies and programs related to safety and law enforcement.

The report on Safety & Security for 2012-2013 is now available. The report can be accessed on the Internet at <http://taos.unm.edu>. You may also request a copy from the UNM-Taos Facilities Operations Office at 1157 County Rd. 110.

The table below shows statistics for on-campus crimes in 2013 reported to the UNM-Taos Facilities Operations Department. The full report contains additional statistics for 2012. In addition the full report contains information about crime prevention programs at UNM-Taos; how to report criminal activity and several UNM policies.
