Career Exploration Story-time and Activity (1 hour)

Examples:

Clothesline Clues to Jobs People Do

“Who wears what to work? The clues in each lively verse can be spotted hanging from the clotheslines. A mail carrier’s uniform, the artist’s brushes, and the chef’s apron all hang from the clothesline. Then turn the page to learn which professionals wear and use the special gear in the jobs they do. Clever illustrations show the workers helping one another, and in the end, everyone joins together for a celebration that is out of this world.”
