## **The Lions Club of Taos**

The Taos Lions Club has been the proud owner of “Tio Vivo” since the 1930s. Tio Vivo is a vintage carousel (a flying jenny) made in the late 1890’s and is one of the only two of that era still in use. Tio Vivo has been a part of Fiestas in Northern NM for over 100 years.

We desire a person to collate and organize all the records, photos, articles, and stories of this priceless Taos Treasure and using additional research where needed, help us to document its history. This history should prove interesting to Taos citizens but also many museums and historians across the country (the Smithsonian, for instance, has expressed an interest in Tio Vivo) and are lovers (the Taos Society Artists painted the horses!)

**The Lions Club of Taos is recruiting for an unpaid intern within their organization.**
