2019 SAFETY AND SECURITY REPORT

PURPOSE OF THE ANNUAL SECURITY AND FIRE SAFETY REPORT (ASFSR)

The Clery Act requires all colleges and universities across the country to publish an annual safety report by October 1st each year. This report informs their respective campus community of Clery reportable crime statistics for the past three years and contains institutional policies and programs that pertain to sexual misconduct, safety and crime prevention. Doing so informs the entire University of New Mexico (UNM) Taos Campus community, including current and prospective faculty, staff and students, of what safety features UNM-Taos has to offer and what Clery Crime Statistics have been reported at UNM-Taos. The Annual Security and Fire Safety Report (ASFSR) is published and distributed by UNM-Taos via e-mail to all current faculty, staff and students each year as part of the requirements of the Clery Act. The ASFSR can also be found on the UNM-Taos Web page at http://taos.unm.edu/administration/physical-plant/index.html.

PREPARING THE ASFSR

Each year the ASFSR for UNM-Taos is prepared by the Facilities Management department with the assistance of the Town of Taos Police Department, Taos County Sheriff’s Department, the New Mexico State Police Department and High Desert Security. The following is used to put together the UNM-Taos’ ASFSR:

- A review of applicable policies that are required as part of the ASFSR;
- An inventory of crime prevention and educational programming efforts that are offered by UNM-Taos for the campus community;
- A review of the reporting avenues for the UNM-Taos Community to report crimes to at UNM-Taos;
- A reconciliation and review of the Crime Statistics that are required to be entered as part of the ASFSR.
Compiling Crime Statistics and Crime Reporting

The Crime Statistics that are included in this report are reported through one of the following areas for UNM-Taos Campus:

- High Desert Security;
- Campus Surveys are sent on an annual basis to all CSA’s and law enforcement officials (according to UNM’S Clery Geography), as determined by the Clery Act Compliance Officer, UNM-Taos Security a Clery Committee. CSA’s generally would include the following:
  - Any individual or individuals who have responsibility for campus security but who do not constitute a campus police department or a campus security department (e.g.: an individual who is responsible for monitoring the entrance into institutional property).
  - Any individual or organization specified in an institution’s statement of campus security policy as an individual or organization to which students and employees should report criminal offenses.
  - Any official of an institution who has significant responsibility for student and campus activities; such as:
    - Director of Students Services
    - Manager, of Facilities Operations
    - Dean of Instruction

The intent of including non-law enforcement personnel as campus security authorities is to acknowledge that many people, students in particular, are hesitant about reporting crimes to the police, but may be more inclined to report incidents to other campus–affiliated individuals.

Examples of Individuals who DO NOT meet the criteria for being campus security authorities include a faculty member (who does not have any responsibility for student and campus activities beyond the classroom), clerical staff, custodians and maintenance personnel and cafeteria staff.

UNFOUNDED CRIMES: None reported for 2017, 2018, & 2019
REPORTING TO AND OVERVIEW OF UNM-TAOS

It is preferred that UNM-Taos faculty, staff and students who are the victim of, or witness to, any crime on the UNM-Taos Campus to accurately and promptly report incidents to Campus Security (High Desert Security) 575-758-1540. In addition, reports can also be made to the:

- TaosPPD@unm.edu, 575-737-6273.
- Office of Equal Opportunity (OEO) 505-277-5251 - All members of the UNM community including faculty, staff, students and visitors can report hate crimes, sexual misconduct, stalking, domestic violence, dating violence and other discrimination-based incidents to any professional staff member with OEO.
- Local police department.

Anonymous, Confidential and Voluntary Reporting

We encourage all individuals to report crimes, however, when the victim or witness of a crime on the UNM-Taos Campus elects to or is unable to make such a report to the UNM-Taos or their respective law enforcement agency; but wants it included as a statistic in the ASFSR can voluntarily make a confidential report by using one of the following reporting avenues below:

- Non-Violence Works - Provides compassionate and effective provision of mental behavioral health and social service at 575-758-4297.
- Student Health and Counseling (SHAC) - Professional counselors with UNM's SHAC are not CSAs, so that crime reports made to counselors by UNM students are not disclosed by the counselor to the UNM-Taos or the Clery Act Compliance Office for inclusion in the annual disclosure of crime statistics. Professional counselors with SHAC are required, when informed about crimes involving students, to inform the student being counseled of the procedures for reporting crimes to law enforcement or for reporting crimes voluntarily and confidentially to a campus security authority office or to the Office of Equal Opportunity (OEO) at 505-277-3136 or http://shac.unm.edu.
- Counseling and Referral Services (CARS) - Professional counselors with UNM's CARS are not CSAs, so that crime reports made to counselors by staff or faculty are not disclosed to the PO for inclusion in the annual disclosure of crime statistics at 505-272-6868 or https://cars.unm.edu.
- UNM Ombuds Office - Ombuds Services supplements existing compliance and formal reporting channels by offering a place where faculty and staff can talk privately about building communication and collaboration. They provide a variety of informal services to assist employees in preventing and/or resolving any workplace conflicts efficiently and effectively. They work with faculty and staff and their supervisors or coworkers. They listen respectfully and emphasize collaboration and fair consideration of all sides of an issue. Contact Ombuds at 505-277-2993 or https://ombudsforstaff.unm.edu/.
Not Reporting Crimes

Victims of crimes have the right not to report crimes to the local authorities or other departments, however UNM encourages all victims of crimes to accurately and promptly report the incident to one of the Advocacy Centers or to SHAC if you are a student or to CARS if you are an employee of UNM. We encourage the UNM community to reach out to one of these areas, so that you can get the assistance you need, find out about the UNM resources and to understand more about the investigative process, should you elect to have the incident investigated.

Crimes that should be reported are:

- Murder and non-negligent manslaughter
- Negligent manslaughter
- Sex Offenses (Rape, Fondling, Incest, Statutory Rape)

If the incident requires police or emergency medical intervention call 911. The 911 system automatically traces the location of all calls, which enables officers to respond even when a caller cannot provide the location. When you dial 911 from a campus telephone or your cell phone, your call will be received by the Taos County Dispatch.

UNM Taos encourages faculty, staff and students who are the victim of, or witness to, any crime on the UNM-Taos Campus to accurately and promptly report the incident to the UNM-Taos by calling 575-737-6273 or email TaosPPD@unm.edu. Crimes committed off the UNM-Taos Campus should be reported to the appropriate police agency (Taos County Sheriff's Department, Town of Taos Police Department, etc.). Under New Mexico law, the original entry police report must be made available for review upon request by a member of the public. Supplemental police reports detailing the investigation, and including the names of the accused, and witnesses are not available for public inspection during the police investigation. Following the closure of the police investigation, UNM-Taos maintains confidentiality of the information in the supplemental police reports to the extent allowed by law.

Emergency Response Procedures

In the event of a significant emergency or dangerous situation involving an immediate threat on campus, UNM-Taos has a multi-faceted, emergency communications system designed to notify students, faculty, staff and visitors through text and email alerts, and webpage notifications. Plans and policies are in place such that the UNM-Taos will, without delay, and considering the safety of the campus community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency. Students, faculty and staff are automatically enrolled in Lobo Alerts which is an emergency text messaging system and the greater community can also receive the alerts through social networking sites like Twitter and Facebook. (See Appendix for Emergency Contacts and Incident Reporting Form).

The UNM Emergency Control Policy (UNM Policy 6130) outlines the process that the UNM-Taos uses to confirm that a significant emergency exists and the process used to target messages to the appropriate segments of the Taos campus. The decision to send out notification of a significant emergency lies with the Manager of Facilities Operations, Director of Student Services and the Dean of Instruction (or any of respective designees). Ideally, these officials will collaborate when deciding whether to initiate the notification system; however, these officials are authorized to initiate the system on their own without first obtaining the concurrence of the others if circumstances do not allow for collaboration. The UNM-Taos Branch Communications And Marketing (BCAM) may assist in crafting the content of the notification message, which is then disseminated by the appropriate communications department to the campus community through one or more of the systems described above.

UNM-Taos conducts regular exercises of the campus emergency communications, including but not limited to fire drills and Active Shooter Training.
UNM-Taos provides orientation to new students, faculty and staff and campus groups and departments regarding basic safety and emergency preparedness efforts.

UNM-Taos is currently working with the Sheriff’s Department to create office space for a sheriff on campus. This will increase the presence of a law enforcement officer on our campus which we believe will be beneficial to both the Sheriff’s Department and our students, staff and faculty.

TIMELY WARNING PROCESSES

When a Clery Act crime is committed within UNM- Taos’ Clery geography, and the situation poses a serious or continuing threat, the Manager of Facilities Operations or the Director of Student Services will issue a Timely Warning (Advisory) to promote safety and aid in the prevention of similar crimes on campus. The Timely Warning (Advisory) include appropriate information as soon as it becomes available, such as location, crime, description of subject (if known), and any other pertinent details. Additional updates may be issued as the situation evolve, Test Alerts are done at least one time per semester.

To require a Clery Act Timely Warning (Advisory), an incident must:

- Involve a Clery Act crime;
- Occur within the Clery Geography, which includes:
  - On-campus (buildings on the UNM-Taos Campus);
  - Public property (public property that is immediately adjacent to the UNM-Taos Campus).
- Be reported to a campus security authority or local police authority; and,
- Represent a serious or continuing threat to the students and employees on campus. An example would be that the alleged suspect(s) of a Clery related a crime who may still be on campus and has not been apprehended, could potentially pose a serious and continued threat to UNM.

Once it has been determined that requirements above have been met, UNM Taos will notify the Facilities Operations Manager or the Director of Student Services to initiate the Timely Warning Process. Ideally, the determination of a "serious or continuing threat" and the content of the message is made between the Facilities Operations Manager and UNM-Taos, however, each can make that determination unilaterally so as not to cause additional delay.

The Timely Warning will be sent out via the UNM Lobo Alert system, which includes an initial text alert sent out to all members of campus, who have not opted out of receiving the text, followed up by an e-mail notification to all individuals who have a unm.edu e-mail address or members of the community who have signed up through the community site. The UNM-Taos Communications Director will notify, as appropriate, the local news media and social media to inform the community outside of UNM.

A Timely Warning (Advisory) might not be issued if it could compromise the apprehension of a suspect.
Enrollment for Lobo Alerts

All faculty, staff and students are automatically opted into Lobo Alerts. If a student did not provide a cell phone number on their application or changes their cell phone number and would like to receive the text message alerts, they can update their information by going to: https://loboalerts.unm.edu.

Community members can sign up for Lobo Alerts by going to: https://www.getrave.com/.

REPORTING INCIDENTS OF CRIMES OF VIOLENCE INCLUDING SEXUAL MISCONDUCT

1. Criminal Reporting Options - (Should you wish to pursue this incident criminally) Call 911.
2. Anonymous Reporting and Advocacy Options (If you are unsure you would like to pursue this administratively or criminally and want to find out your options) These resources can help you:
   a. Lobo RESPECT ADVOCACY CENTER: 505-277-2911 (All UNM Students)
   b. LGBTQ Resource Center: 505. 277-5428 (All UNM Students)
   c. Women’s Resource Center: (WRC): 505-277-3716 (All UNM Students)
   d. UNM Ombuds Services: 505-277-2993 (All UNM Faculty and Staff)
   e. Administrative Disciplinary Reporting Option (Should you wish to pursue administrative or disciplinary complaint) contact the Office of Equal Opportunity (OEO) at 505-277-5251 or by email at oeo@unm.edu. OEO only investigates incidents and does not sanction or you may decline to notify OEO.

If you have experienced sexual harassment, including sexual assault as defined in Policy 2740: Sexual Harassment Including Sexual Assault, you have a variety of options available to you. You may report this crime to the police, pursue administrative investigative options, seek supportive measures and seek confidential resources.

You have the choice of submitting an informal complaint or a formal complaint at the University. Both choices include tailored supportive measures to assist in providing you with the support needed to continue learning and/or working at UNM. A formal complaint initiates an investigation while an informal complaint does not.

UNM-Taos students can submit complaints alleging sexual misconduct committed by another student, staff or faculty member, or third party to UNM’s Title IX Coordinator (the Director of Student Services). You can also report an incident to the Lobo RESPECT ADVOCACY CENTER by going to their website.

The Lobo RESPECT ADVOCACY Center and the UNM Sexual Misconduct and Assault Response Team has published a Sexual Misconduct and Response Team-SMART Brochure available on their website. Additionally, the Lobo RESPECT ADVOCACY Center will assist students through these processes, should they wish to have the assistance.
First Steps to Consider

- Get to a safe place
- Preserve all physical evidence of the assault, even if you are unsure whether you want to report the crime.
  - Do not shower or wash clothing.
  - Save all text messages, emails, social media postings (taking screenshots can be helpful) or anything else that might relate to the assault, or that might be helpful later in reconstructing a timeline of events.
  - Write down the names of people who might have seen you immediately before or after, as it’s easy to forget names or locations.
  - Even if you do not want to participate in the investigative process now, you might later change your mind, it’s helpful to preserve as much information as possible. This also may be helpful in obtaining a restraining order.
- Obtain a forensic exam- UNM-Taos or the local police authority can provide transportation even if you do not want to file a police report.
- Go to a nearby hospital or medical center for medical attention.
- Call a trusted friend, family member or someone else who can provide emotional support.
- Contact a resource center to help you navigate your options.
- Contact a University Survivor Advocate.
- Contact Non-Violence Works – Provides compassionate and effective provision of mental behavioral health and social service at 575.758.4297.

For help 24 hours a day, contact the Lobo RESPECT ADVOCACY Center on their website or by phone 505.277.2971.

Getting Medical Attention

- Call 911
- Contact Holy Cross Hospital at 1397 Weimer Road or call 575-758-8883
- Visit Urgent Care (before 7:00 pm) at 330 Paseo del Pueblo Sur

Reporting the Sexual Misconduct (Including Dating Violence. Domestic Violence and Stalking)

Although the University strongly encourages all members of the community (faculty, staff and students) to immediately report sexual misconduct to law enforcement, you have a choice to make such a report, or you can decline to involve the police. Whether or not anonymity is requested, information about sexual violence and misconduct will be treated privately and only be shared on a need-to-know basis, and as authorized under University policy and applicable federal and state law. However, should you wish to report an incident of Sexual Misconduct, you can review the following chart.
Student Supportive Measures

Supportive measures, including accommodations, are available in writing if the complainant requests them and if they are reasonably available, regardless whether the complainant chooses to report the crime to UNM-Taos or the local law enforcement or Manager of Facilities Operations. UNM-Taos will also maintain as confidential, any accommodations or supportive measures provided to the complainant, to the extent that maintaining such confidentiality would not impair the ability of the institution to provide accommodations or supportive measures. As a matter of practice, the advocacy centers or Office of Equal Opportunity will provide written notification via e-mail to students and employees about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid and other services available to parties bringing forward a concern and to respondents, both within and outside the UNM-Taos community.

The Lobo RESPECT ADVOCACY Center, with the assistance of the Manager of Facilities Operations has the authority to implement interim safety measures, as an administrative investigation is underway to ensure the safety of the campus community. The Lobo RESPECT ADVOCACY Office and the Manager of Facilities Operations will determine the necessity for and scope of any Interim Safety Measure prior to the completion of the University's investigation. During Interim Safety Measures, the University will do its best to continue to allow involved students to obtain access to their education with as minimal interference as possible. Supportive measures are designed to protect the educational experience and safety of all involved, as well as the greater UNM-Taos Community. UNM-Taos will maintain the confidentiality of these supportive measures, as required by law. Protective and supportive measures may be temporary. Such measures may include:

- Assistance in communicating with law enforcement and/or administrative and/or administrative investigative resources on campus.
- Assistance in accessing counseling or health care resources both on the UNM-Campus and in the community.
- Academic accommodations, which may include working with professors regarding completion of coursework and with absences.
- Course accommodations, which may include changing course sections to eliminate/limit interactions between affected parties or complete withdraws should a student wish to separate from the university.
- Assistance with working with Financial Aid and Scholarships to help the student continue their financial assistance at UNM-Taos.
- Assistance with communicating with supervisors for on campus jobs, regarding work schedules and absences from work.
- Assistance in creating safety strategies for the student.
- Assistance with visa or immigration status, should there be a potential for impact on those statuses.

THE UNM-TAOS DRUG FREE CAMPUS POLICY

The UNM Policy on Illegal Drugs and Alcoholism is adopted pursuant to federal laws and because of the commitment of UNM-Taos to an environment for the pursuit of its educational mission free of drugs and the illegal use of alcohol. Drug and alcohol abuse on campus poses a serious threat to the health and welfare of faculty, staff and students; impairs work and academic performance; jeopardizes the safety and well-being of other employees, students and members of the general public; and conflicts with the responsibility of The University of New Mexico to foster a healthy atmosphere for the pursuit of education, research and service. Federal and State laws relating to controlled substances and alcohol are enforced by the UNM-Taos. The university enforces the State of New Mexico underage drinking laws and therefore does not permit the possession or consumption of alcoholic beverages by people under the age of twenty-one. Illegal uses of alcohol include, but are not limited to, serving, buying or drinking alcohol by a minor; assisting a minor or an intoxicated person to get alcohol; selling alcohol without a license and driving while under the influence.

This policy covers all property owned, used, leased or controlled by UNM, or any other site where official University business is being conducted. "Controlled substances" means those substances in Schedules I through V of section 202 of the Controlled Substances Act, 21 U.S.C. 812, and implementing regulations, 21 CFR 1308.11-1308.15. Controlled substances include, but are not limited to, marijuana, cocaine (including "crack"), amphetamines, heroin, PCP, hallucinogens, and certain prescription drugs. Illegal uses of alcohol include, but are not limited to, serving, buying, or drinking alcohol by a minor; assisting a minor or an intoxicated person to get alcohol; selling alcohol without a license and driving while under the influence. This policy is not intended to supersede or negate any existing policies on substance abuse, student or employee discipline, or any additional requirements imposed on The University of New Mexico or its students, faculty or staff by federal or state law.

I. Policy Statement
The unlawful manufacture, distribution, dispensing, possession or use of controlled substances or alcohol on UNM-Taos property or as part of any of its activities by any member of the UNM-Taos community faculty, staff or students is strictly prohibited.

As a condition of continued registration and enrollment, any student of UNM-Taos shall abide by this policy. Violation of this policy shall result in disciplinary action, up to and including expulsion. For more detailed information, students should refer to the Student Code of Conduct and related policies printed in the UNM Pathfinder (http://pathfinder.unm.edu/) and/or contact the Director of Student Affairs.

UNM-Taos’s response to any violation of this policy may include, as a total or partial alternative to disciplinary action, a requirement that the employee or student participate satisfactorily in an approved substance abuse treatment or rehabilitation program as a condition of continued employment or registration/enrollment. Any employee engaged in the performance of work under a federal contract or grant is required, as a condition of employment, to notify his/her supervisor if he or she is convicted of a criminal drug statute violation occurring in the workplace within five days of such conviction. The supervisor shall notify the University Counsel’s Office. Failure of the employee to notify the supervisor shall be grounds for disciplinary action.

In recognition of the dangers of substance abuse in the workplace, UNM-Taos shall maintain alcohol and drug-free awareness programs to inform members of the University community about the issues and risks of substance abuse, and about counseling and treatment resources. The university shall assign responsibility for such awareness programs to specific administrative entities, which shall be provided sufficient resources to develop and maintain the programs. As a matter of policy, any referral, treatment, awareness or primary prevention programs established by the University shall play no role in enforcing or instituting possible disciplinary action.

II. Legal Sanctions for the Unlawful Possession or Distribution of Illicit Drugs and Alcohol

The penalties for even the most minor of violations of the Liquor Control Act can include fines of up to $300, confiscation of property and imprisonment for up to seven months. More serious violations carry greater penalties, with larger fines and longer imprisonment.

Driving, using machinery after drinking, or using drugs creates the risk that the user may injure or kill someone. This can result in homicide charges. License revocation and vehicle impoundment are also possible results of driving while under the influence of liquor or drugs. The minimum blood alcohol levels at which drivers’ licenses are revoked in New Mexico are .02% for those under 21 and .08% for those 21 and over. All drivers in New Mexico are presumed to be intoxicated at the .08% level.
In drug-related cases, a court can permanently suspend eligibility for federal benefits, including financial aid. A criminal record can seriously hurt educational and career opportunities.

Penalties for illegal drug use can include significant fines and imprisonment. Penalties for the illegal sale of drugs are greater and may include property confiscation. Alternative penalties for illegal drug or alcohol use may also include mandatory community service. Violation of laws by a foreign national may result in deportation.

III. Health Risks Associated with Use of Illicit Drugs and the Abuse of Alcohol.

Excessive alcohol consumption and abuse of illicit drugs can lead to certain types of cancer, pathological changes in the liver, brain, heart and muscle, which can lead to disability and death, addiction, birth defects, shortened life span, stomach ulcers phlebitis, varicose veins, and other health problems. Alcohol and drugs are also a major factor in homicides, assaults, rapes, suicide, family and date violence. Alcohol is significantly involved in all types of accidents - motor vehicle, home, industrial, and recreational.

Unintended pregnancies and sexually transmitted diseases are often associated with alcohol or other drug abuse, as well as relationship, academic or work problems.

For more information on the possible effects and health risks associated with the use of illicit drugs and alcohol, contact the Student Health Center Health Education Program at 505.277.1074 or the UNM Campus Office of Substance Abuse Prevention at 505.277.2795. It also mandates that sex offenders who are required to register in a State must also give notice of each institution of higher education in that State at which the person is employed, carries on a vocation, or is a student. Additionally, the New Mexico Sex Offender Registration and Notification Act requires a convicted sex offender who is employed by, enrolled at, volunteering with or carrying on a vocation at an institution of higher education to register with the university’s law enforcement department, the university registrar, the county sheriff for the county in which the higher education institution is located as well as the county sheriff for the county in which the sex offender resides.
