

UNM-TAOS ASSOCIATE OF ARTS IN EDUCATION

The associate of arts in elementary education is designed for the student who is planning to enter a baccalaureate program upon completion, or who wants to work as a school aide. Students need to be aware of the Core Curriculum and College graduation requirements at UNM or any other four-year institution. It is the student's responsibility to contact an academic advisor before registering for courses in the degree program. *Note: lower division Education courses will not substitute for Professional Education course requirements.*
