In light of the COVID-19 pandemic, business has changed dramatically and the SBDC at UNM-Taos has been there throughout, assisting businesses and entrepreneurs to understand, plan, and act.

Statewide, for over thirty years, the New Mexico SBDC Network, and its 19 centers, has served the New Mexico economy with the mission to "develop skilled entrepreneurs and strong businesses".

With nearly 1,000 locations across the country, the SBDC at UNM-Taos is part of the most comprehensive small business assistance network in the United States and its territories, working in partnership with universities, economic development professionals, chambers of commerce, lenders, investors, and entrepreneurs themselves.

We are here to help you navigate these uncertain times, no matter where you are in your business cycle. We are all in this together.
