

**University of New Mexico-Taos
Film Technician Certificate**

The two-year, 31-34 credit-hour certificate in “Film Technician” offers specialized training in film industry pre-production, production and post production. This certificate is designed to develop hands-on skills through learning and experimentation with [film industry] equipment and covers all aspects of filmmaking to better prepare students for employment in the film industry including, set production assistant and other film crew positions. This certificate is fully transferrable to the Bachelor of Art/Fine Art in Film and Digital Arts at the UNM Albuquerque Campus.

UNM-Taos reserves the right to make necessary changes as needed. Students should consult with an advisor prior to enrollment.
