

University of New Mexico Taos Commercial Driver's License Certificate

The CDL program is designed to prepare students with the knowledge and ability required to pass the CDL written and driving skills tests. Through practical skills training, the CDL program helps students become safe and knowledgeable entrants into the commercial vehicle driver work force, and provides short-term workforce training certificates that meet industry standards. Upon successful completion of the CDL program, students earn industry-recognized credentials for the truck driving industry. **UNM-Taos reserves the right to make necessary changes as needed.** *Students should consult with an advisor prior to enrollment.*
