Certificate Emergency Medical Technician-Intermediate

This Advanced Emergency Medical Technician (AEMT) course meets the National EMS Education Standards for the Advanced EMT. The course also includes information and training for skills allowed by the New Mexico EMT-Intermediate Scope of Practice. The course is designed specifically for emergency medical personnel who have access to specialized emergency vehicles and emergency rooms. The course content gives emergency medical personnel the knowledge and skills to assess and stabilize patients with life-threatening emergencies at the scene and during transport.

UNM-Taos reserves the right to make necessary changes as needed. Students should consult with an advisor prior to enrollment.
