Certificate in Woodworking

The Fine Woodworking Certificate program at UNM-Taos is designed for individuals who are passionate about woodworking and wish to develop their skills in crafting high-quality wooden furniture and decorative items. This program combines hands-on training with theoretical knowledge, providing students with a comprehensive understanding of woodworking techniques, materials, and design principles.

UNM-Taos reserves the right to make changes as needed. *Students should consult with an advisor prior to enrollment. Courses must be passed with a C (no C-) or higher.*
